DOWNRIVER JUNIOR FOOTBALL LEAGUE DEFINITIONS

DJFL Philosophy

The Downriver Junior Football League's Purpose is to provide a healthy and safe learning environment for the average youth to learn and play the sports of football and cheerleading.

Starting with the premise that youths will play football anyway, anyhow, and anywhere, the League directs this activity to proper playing fields, provides the best protection equipment and competent instruction. Furthermore, the DJFL believes that cheerleading is an integral portion of the football experience.

The League recognizes as valid the usual criticism leveled at programs of this type, which being that the good done by the program as a whole can be outweighed by the harm derived from the undue mental pressures placed upon players of this age by the need to win. The program places emphasis on good sportsmanship, teamwork and team discipline by players, coaches, and all representatives of the franchise, which is to say that winning at any cost is what is de-emphasized.

Therefore, the weight limitations are designed to tailor the program for the average youth of 7 – 13, the youth who, in most cases, will not otherwise have the opportunity during their school career to participate in contact sports. Combined with the age limitations that provide for three different teams within a unit, there are achieved equal competitive standards during game participation.

The participants in the Downriver Junior Football League play hard and cheer hard. The outcomes of these events vary from winning, losing, or even ties. The Downriver Junior Football League wants all participants, regardless of the outcome, to be proud of their performances. With that purpose accomplished, the League can be proud of its program.

2. We want Game Officials to feel that they are part of our Player Instruction Staff, both as to the technical and the sportsmanship aspects of the game of football.
3. Game Officials are requested to report incidents and examples of improper coaching to the Head Official and to the Downriver Junior Football League.
4. The Downriver Junior Football League expects professionalism at all times in the conduct and performance of the Game Officials while on the fields or when present at any games.
5. Game Officials are requested to use discretionary judgment in assessing Team Sportsmanship Points for both un-sportsmanship penalties and personal fouls.
6. Game Officials are instructed to display a DJFL issued hat, which displays a number that corresponds with a Roster of Officials submitted by the Head Official. Each Member Organization will receive the Roster of Officials no later than the Annual Roster Exchange Meeting.

B. To Coaches

1. It is understood that all Coaches in the D.J.F.L. are volunteers who, under contract to the League, have agreed in their individual contracts to conform to the Rules of the Downriver Junior Football League and the League Philosophy.
2. The standards of performance and behavior for our coaches are high, as they must be, to provide the quality of training necessary for the children participating in our programs.

 - (a) Further, the Coaches must be supportive of any adverse decisions by any of these parties by refraining from critical comments in public, in the media, or in the presence of the children.
 - 5. The Coaches are also to develop, communicate, and model policies for children's conduct and language at practice, during competition, and at all other appropriate times.
